28 - 30 MARCH 2023

*ASB debuts at its first TISSUE WORLD...*

# VISIT US AT BOOTH K63!

To celebrate this one-time event, we created a QR code.

**Take this QR at our booth K63 for validation**

Then use your **token** as a

**10% bonus** on your next order for spares and blades!

**-10%**  
on orders for  
spares and blades!

ASB Service Srl, born April 2021 in Varese (Italy), manufactures high quality spares, blades and units for your tissue converting lines. Through our two separated divisions, and related respectively to tissue rolls and to folded products, we can supply service, parts and upgrades for a wide list of brands of converting machinery.

Come to discover our full product/service range!
